WHY DRINK WATER FROM THIS IONIZER?

- Immunity Booster

When your body is in alkaline state, it boosts your immunity. Alkaline water naturally neutralized the free radicals, thereby cleansing the toxins present in your body. Drinking alkaline water regularly will significantly improve your immune system.

- Antioxidant

Due to antioxidant properties in alkaline water it brings body to a more balanced pH level, making it easier to fend off disease. Alkaline water is rich in antioxidants, which fights against various harmful diseases and promotes good health.

- Detoxification

Alkaline water detoxification of the skin leads to fewer acne breakouts and refreshes your skin cells and even makes them healthier.

- Hydration | Anti-Aging

The best way of stopping wrinkles and slowing the aging process over all, is to drink alkaline water. The reason is that alkaline water is significantly better at hydrating your body and skin than tap water or generic bottled water.

- Bone Loss

Alkaline water lowers bone resorption even in calcium sufficiency. Rich alkaline water can reduce the rate of bone loss.
